

WHERE THE HILLBILLIES ROAM

Oh, give me a home

Where the Hillbillies roam,
Where there's laughter and fun everyday.
Where there's pleasure and pride,
As we dance side by side,
In our own special Hillbilly way.
Oh, Lord, let me stay,
Where there's laughter and fun everyday,
Where there's friendship that's true,
And a caring for you
In our own special Hillbilly way.
